

DFAC 2010 Winter Soccer Development Program

DFAC will once again kickoff the Winter Soccer Development Program this season for those players who are interested in continuing their soccer experience. Last season, approximately 110 players participated and enjoyed working with our professional training staff. The program has been designed to have fun playing soccer, while learning from DFAC's pro training staff. The program runs for 8 weeks and will be held once/week for each age division of U4 through U12. Each session will consist of a basic training session followed by a 'pickup' game or other small-sided games. The commitment is low for those players who participate in other winter activities, and no parent coaches will be required since a member of the DFAC training staff runs each session.

Registration Details :

- ◆ Priority will be given to players registered in the DFAC 2009-2010 Fall Soccer Season (others will be added if space is available with an additional fee of \$25 to cover base registration with the State Association)
- ◆ Several groups will fill-up fast, so sign up quickly! The Club will prioritize by postmark date.
- ◆ Registration **DEADLINE is January 16, 2010**
- ◆ **Cost:** \$60 (make check payable to Desert Foothills Athletic Club). Fee must accompany registration form to be accepted.
